Colors

La concezione del progetto prende forma, risplende ed esprime tutto il suo fasto estetico, attraverso gemme di 4 colori, un insieme di vesti, profonde e sublimi, rielaborate in linea contemporanea, ma allo stesso tempo si mantengono sinuose ed eleganti, abbinandosi alle sontuosità delle decorazioni di maestosa bellezza, accompagnando colui che dimora l'ambiente, in un viaggio attraverso le esperienze e le tradizioni della nostra terra. Un respiro differente, da viverci anche in abbinamento, così come le altre egemoni di questo portfolio, attraverso le diverse creazioni di Savoia Italia.

AD

A journey through the experiences and traditions of our land result in our eclectic and superb collection Colors. Aesthetic grandness with a contemporary Mediterranean flair! The concept of the project takes shape, expressing all its value through a four colours. The textured glossy surface captures and reflects the light, adding depth to the brilliant colors and final visual effect. The glossy versions come in three different sizes, and four of the earthy colors are available in a matt finish. The collection is accompanied by various decorative elements of majestic beauty. The endless combination possibilities with color, size and ornamentation render this highly technical porcelain material adaptable for any surface of any trend or style.
