# CALACATTA GOLD

## *THE ESSENCE OF ITALIAN OPULENCE*

---

Indulge in the *opulence of Italian* marble with our Calacatta Gold porcelain tile. Inspired by the rare and exquisite Calacatta gold marble quarried from the Apuan Alps of Italy, these tiles offer a *luxurious alternative without compromising on durability or beauty*, capturing the essence of their natural counterpart with striking veins of gold and delicate beige hues dancing across a pristine white background. Each tile is a work of art, meticulously crafted with unparalleled sophistication.

A symbol of luxury and prestige, from the grandeur of Roman temples to the opulence of Renaissance palaces, this exquisite marble has adorned the most iconic buildings and monuments throughout history.

Marbles, those exquisite stones *sculpted by the grasp of time*, hold a timeless allure that has captivated humans for centuries. From the grandeur of ancient temples to the elegance of modern architectural masterpieces, marble has left a special mark on human history and culture that can hardly be compared to anything else. With their *timeless elegance*, marbles are renowned for their breathtaking colors and intricate patterns, each slab a unique masterpiece crafted by nature. We want to replicate this with our New Marbles range: *the perfect blend of nature-inspired beauty and modern innovation*.
