PARADIGM[®]

OEUVRE COLLECTION

By definition, an oeuvre is a created work by man, usually of an artistic kind. It is creative and beautiful – a definite work of art to the eye of the beholder.

NEXT-GEN introduces OEUVRE collection, a unique glazed porcelain tile series that offers designs inspired by man-made materials in the architecture world. OEUVRE tiles provides infinite possibilities to the discerning when it comes to beautiful, modern spaces. Its versatile, neutral hues also aims to delight the senses.

As the timeless appeal of opus porcelain tiles spreads from floors to walls, NEXT-GEN is the choice for quality, durability and variety.

OEUVRE COLLECTION

When one thinks of cement floors and walls, urban skylines and minimalist living comes to mind and with today's technology in the tile industry, cement-look tiles are the newest thing to hit the style list. Simple to maintain and very durable, cement-look tiles are perfectly suited for large projects and open spaces requiring bold designs.

Fashionable and on-trend, Paradigm is a contemporary porcelain tile series that mimics the look of cement beautifully.

Light Grey can be called a true classic. It is a very conservative, quiet and relaxing colour, symbolizing simplicity and elegance.

When applied to walls and floors, Light Grey can produce modern, restful retreats for the weary of minds.

Often perceived as moody and ominous, Graphite actually offers a much greater, deeper dimension than its neutral counterparts.

Its dark and dramatic colour is well suited for stylish offices, elegant ballrooms and rich, decadent boudoirs.
