OEUVRE COLLECTION

By definition, an oeuvre is a created work by man, usually of an artistic kind. It is creative and beautiful – a definite work of art to the eye of the beholder.

NEX - GEN introduces OEUVRE collection, a unique glazed porcelain tile series that offers designs inspired by man-made materials in the architecture world. OEUVRE tiles provides infinite possibilities to the discerning when it comes to beautiful, modern spaces. Its versatile, neutral hues also aims to delight the senses.

As the timeless appeal of opus porcelain tiles spreads from floors to walls, NEX - GEN is the choice for quality, durability and variety.

OEUVRE COLLECTION

Far from creating a cold, hard atmosphere, cement can actually help bring a warmer feel to your home. Using cement finishes gives the perfect excuse to add soft furnishings with more tactile textures. With cement-look tiles, you can easily have this trendy material in your home alongside the durability and practicality of tile.

Industrial in nature yet oh-so stylish, Vogue is a stunning porcelain series that resembles the look of imprinted cement.

It’s all about neutrals in the year ahead and Light Grey sits comfortably in the picture.

Its prominent grey shade is the sort of colour that compliments a full spectrum of décor ideas – great when applied in large, open spaces for a strong, modern look.
